SUBJECT: Follow-on Assignments for Officers Nominated
to Senior Schools

1. The DDCI wants to be assured that each officer nominated for a senior school is programmed for a suitable follow-on assignment. In recognition that it is not always possible to select assignments at time of nomination, the following procedures will apply:

- a. At the time of nomination for programs on the attached list, the sponsoring Career Service will indicate in general terms in the nomination the planning for assignment of the nominees upon program completion.
- b. No later than 60 days prior to the completion of the program, the sponsoring Career Service will advise the Director of Personnel of the specific assignment.

2. The Director of Personnel is hereby charged with monitoring the assignments, preparing an annual report to me and the DDCI, and bringing any problem situations to my attention.
